

82nd Avenue Improvement Coalition

“Let’s make 82nd Avenue safe and livable”

82nd Avenue is a State Highway owned by Oregon Department of Transportation. The State of Oregon has a vast collection of Highways. These highways are viewed as a system.

Some existing Highways, like 82nd Avenue, no longer serve a statewide function. These Highways are not prioritized for maintenance and are neglected. Safe and well-maintained roads is one of our most important public assets.

Poorly maintained roads put the lives of Oregonians at risk.

Our objective is to allow the local communities (not Salem) correctly prioritize the safety and maintenance needs of this important roadway. We are advocating for 82nd Avenue to transferred over to the City of Portland.

Join us!

Meetings on the **last Monday** of every month at:

Lumberyard Indoor Bike Park
2700 NE 82nd Ave Portland, OR 97220
