* Leveraged Funds includes additional dollars supporting this project—for example, additional grants or direct financial support from your organization.

** The value of general volunteer time should be calculated at \$24.70 per hour. For donated professional work, visit https://www.bls.gov/oes/current/oes_38900.htm to identify a median per hour volunteer rate or use the amount the professional usually charges for their services.

*** Administration cannot exceed 10% of the project related request. Please budget accordingly.
